CONSULTANTS LTD

OUR WORK

Careful planning. Visible results.

Roscommon Road

Roof removal and environmental clean

Following a difficult experience on a previous project, the client needed a clear plan and accountable oversight. Daily project management and close communication with the client's management and health and safety team helped us complete the work on time, within budget and without issues.

CLIENT FEEDBACK

"Not only was it completed on time with no variations or issues, but you also kept us informed every step of the way, involving us in key decisions."

Excerpt from client feedback supplied in our original brochure.

Glenbervie

Popcorn ceiling removal and replacement across a four-bedroom home, three reception rooms and the kitchen. Completed within seven days, on time and within budget, ready for the client's return from overseas.

Reliable. Dependable. Honest. Hardworking.
